# MixMedia and MultiMedia Cabinets

## GENERAL DESCRIPTION

- Enclosed cabinet structure
- Safety interlock prevents more than one drawer being opened at a time
- Full extension ball-bearing drawers
- High quality glides provides perfect leveling
- Easy-grip handles
- Adjustable levelers
- 6 pull-out vertical drawers and 6 horizontal drawers (MixMedia cabinet only, see chart below)
- Reinforced pallet heavy duty base with removable front covers for easy handling (MixMedia cabinet only, see chart below)
- Montel Cabinet Style technology (MultiMedia cabinets only, see chart below)
- Horizontal and vertical pull-out drawers are lockable
- Shelves are adjustable at every 5/8" to accommodate different sizes of media
- Multimedia drawers are interchangeable with Montel SmartShelf™ (Pat. Pending) 4-Post shelving
- Available as fixed cabinets or on mobile carriages for increased space and storage capacity
- Fixed cabinets are designed so they could eventually be added on Montel's mobile carriages to save space and increase storage capacity
- Can be securely anchored to the floor or to the wall
- Choice of eleven standard colors (see Montel's color chart)
- MixMedia and MultiMedia Cabinets are pre-assembled at the factory (see chart below)
- Cabinet Style MultiMedia cabinets are supplied knocked-down (see chart below)
- 10-year warranty

## OPTIONAL ACCESSORIES

- Card Holders
- Progressive media support
- Progressive divider front-to-back
- Plain media support (cork base)
- Plain divider front-to-back
- Wall fixation angles
- Shelves (pull-out vertical drawers) and dividers (horizontal drawers) are sold separately
